RE: TRC Rockland Mine Road Reclamation T. 23 S., R. 6 E., Section 3

Dear Mr. Western:

The Bureau of Land Management (BLM) has reviewed the records for the Rockland Mine operated by The Rockland Corporation (TRC) on State Trust Land. The portion of the road which passes through BLM managed lands in Section 3 is covered under a right of way (UTU-78822) as well as two separate but overlapping rights of way and will not need to be reclaimed at this time. TRC will need to contact the BLM in order to close their right of way. If you have any questions or comments please contact Greg Gochnour at (435) 636-3639.

Sincerely,

Patricia A. Clabaugh
